

State, Foreign Operations, & Related Programs

Fiscal Year 2020 Bill At-a-Glance

House Appropriations

The bill provides **\$56.4 billion** for critical diplomatic, development, & humanitarian programs & ensuring robust U.S. engagement with international partners

HUMANITARIAN ASSISTANCE

- \$7.97 billion through Migration & Refugee Assistance (MRA), U.S. Emergency Refugee & Migration Assistance (ERMA), & International Disaster Assistance (IDA)

- \$1.63 billion above the President's budget request

STABILITY & SECURITY OVERSEAS THROUGH SMART POWER

- The bill funds antiterrorism programs, nonproliferation programs, peacekeeping operations, & other critical international security efforts

- \$6.1 billion is also provided for embassy security

GLOBAL HEALTH PROGRAMS & INTERNATIONAL BASIC EDUCATION

- \$2.6 billion for programs to improve maternal & child health & fight infectious diseases
- \$925 for basic education, including \$125 million for multilateral partnerships in education

SUPPORT FOR WOMEN'S REPRODUCTIVE RIGHTS, FAMILY PLANNING, UNFPA

- The bill includes the Global HER Act, permanently repealing the Global Gag Rule, & a prohibition on current & prior funds from being used to implement the "Mexico City Policy"
- Family Planning — \$750 million — \$175 million above the fiscal year 2019 enacted level
- UNFPA — \$55.5 million — \$23 million above the fiscal year 2019 enacted level, & rejecting proposed funding elimination in the President's budget request

GREEN CLIMATE FUND & PARIS CLIMATE AGREEMENT & ENVIRONMENTAL PROGRAMS

- The bill removes the prohibition on the Green Climate Fund from the fiscal year 2019 enacted bill & replaces it with permissive authority
- Prohibits the use of funds to withdraw from the Paris Climate Agreement
- New directives on adaptation (\$177 million) & renewable energy (\$179 million), prioritizing these programs, unlike prior years & the President's budget request

The bill provides **\$9.3 billion** for State Department & **\$1.7 billion** for USAID operations & reverses the impact of the Administration's hiring freeze, restoring State Department & USAID personnel to 2016 levels.
