

Continuing Appropriations and Extensions and Other Matters Act, 2026

Section-by-Section Summary

DIVISION A – CONTINUING APPROPRIATIONS ACT, 2026

Section 101. Extension of FY 2026 Funding with Certain Exceptions.

Appropriates funding at the levels and under the conditions provided in the fiscal year 2025 Full Year Continuing Appropriations Act (2025 Full Year CR) for continuing projects and activities, excluding sections 1110 (dealing with emergency and disaster relief recommendations), 1113 (dealing with departmental and agency spending/operating plans), and 1114 (dealing with Office of Management and Budget (OMB) reports on obligations by departments and agencies) of the 2025 Full Year CR.

Section 102. Prevention of New or Accelerated Production and New Multi-Year Activities at DOD.

Prevents the Department of Defense (DOD) from using funds provided by the continuing resolution (CR) for new or accelerated production of certain projects and other new starts and activities. It also prevents DOD from initiating certain multi-year procurements.

Section 103. Terms and Conditions.

States that funds provided by section 101 shall be available to the extent and in the manner that would be provided in the pertinent appropriations Act.

Section 104. Prevention of New Starts and Activities.

Prevents appropriations provided by the CR from being used for new starts and new activities.

Section 105. Technical Budget Matter.

Contains technical budget matter providing that appropriations in the CR are to be used to conduct fiscal year 2026 activities and programs during the CR period.

Section 106. End Date of CR.

Continues the appropriations and authorities provided by the CR through the earlier of October 31, 2025, or the enactment of the applicable appropriation Act.

Section 107. Requirement to Charge CR Spending to Enacted Full-Year Appropriations Bill.

Requires that spending under the CR be charged to the full-year appropriations bill when such bill is enacted.

Section 108. Apportionment Timing During the CR.

Waives the normal time limitations for submission and approval of apportionments of accounts given the duration of a part-year CR.

Section 109. Expenditures for Grant Programs and Similar Payments.

Prevents agencies from spending money too quickly for grant programs and similar payments to preserve Congress's final funding prerogatives, as Congress has not made final funding determinations for fiscal year 2026.

Section 110. Funding Shall be Spent in the Most Limited Manner Possible.

Reiterates that funding shall be spent in the most limited manner possible to continue projects and activities, as Congress has not made final funding determinations for fiscal year 2026.

Section 111. Prohibition on Implementing President’s Budget Requests During a CR.

Prohibits the Administration from implementing the President’s budget request to increase, eliminate, or reduce funding for a program, project, or activity until such proposed change is enacted in an appropriation Act.

Section 112. Operations of Mandatory Programs and Appropriated Entitlements.

Continues mandatory programs and appropriated entitlements at current program levels, including activities funded by the Cost of War Toxic Exposures Fund. In the case of a government shutdown after the CR end date in section 106, provides certain programs with funding for payments that occur on or about the first day of the month and are due not later than 30 days following the expiration of the CR.

Section 113. Restrictions on Furloughs or Termination of Employees.

Permits funds provided by the CR to be apportioned up to a rate for operations necessary to avoid furloughs, after the agency has taken all necessary action to reduce or defer non-personnel-related administrative expenses.

Section 114. Waiver Language for Intelligence Programs.

Provides waiver language for certain intelligence programs as well as agencies that operate under the State Department Basic Authorities Act and Foreign Relations Authorization Act.

Section 115. Redesignation of Specially Designated Emergency and Disaster Relief Funds.

Redesignates previously designated emergency funds and disaster relief funds and removes Presidential control over emergency funding. With the expiration of the statutory caps on discretionary spending under the Fiscal Responsibility Act of 2023, the redesignations are for Congressional scorekeeping only.

Section 116. Making Available the Full Amount of Funds Designated as an Emergency in the 2025 Full Year CR.

Reverses illegal action by the White House to designate some funds provided in the 2025 Full Year CR as an emergency while not designating others. This resulted in \$2.9 billion in funds provided by Congress not being made available for obligation, and \$9.4 billion that is being illegally spent without Congressional approval. In addition, amends statute to remove the President’s authority to refuse Congress emergency designations.

Section 117. Oversight for OMB and Agency Execution of Specified Funding Levels.

Requires a report from OMB detailing how Congressionally mandated rescissions or cancellations continued by this Act are carried out.

Section 118. Extending the Period of Availability for Funds Mismanaged by the Office of Management and Budget, including Funds Unlawfully Frozen by the President’s So-Called “Pocket Rescission.”

Extends the availability of certain funds expiring on September 30, 2025, that were inappropriately constrained by the Office of Management and Budget. Addresses any funding OMB withheld from agencies after June 30, or funding OMB withheld from agency use with preconditions at any point between June 30 and September 30, including all funds frozen by OMB in response to the President’s so-called “pocket rescission.” Requires reports from OMB and the Comptroller General of the United States on the execution of this provision and removes all implicated funds from OMB control.

Section 119. Application of the Impoundment Control Act.

Permanently turns off the fast-track procedures under the Congressional Budget and Impoundment Control Act of 1974, ensuring bipartisan funding agreements cannot be undone on a partisan basis. Prevents future mismanagement of funds by prohibiting OMB from inappropriately constraining agencies in the final 90 days before the expiration of funding.

Section 120. Special Supplemental Nutrition Program for Women, Infants, and Children (WIC).

Provides authority to the Department of Agriculture to spend at a rate for operations of \$8.2 billion to maintain participation in the WIC program.

Section 121. Livestock Mandatory Reporting Act of 1999.

Extends the Livestock Mandatory Reporting Act of 1999 for the duration of the CR.

Section 122. Extension of Expired Space Shuttle Funds.

Extends through fiscal year 2030 the authority for the National Aeronautics and Space Administration (NASA) to use amounts that have expired but have not been cancelled for the liquidation of obligations of Space Shuttle contracts and associated programs. The authority is limited to obligations incurred during the period of fiscal years 2001 through 2013.

Section 123. Continuation of NASA Science Missions.

Ensures the continuation of missions under development or formulation by the Science Mission Directorate of NASA through the length of the CR.

Section 124. Apportionment of NSF Funds.

Requires amounts made available to the National Science Foundation (NSF) be apportioned at a rate for operations necessary to maintain research facilities and scientific awards at current levels.

Section 125. Apportionment of NOAA Operations, Research, and Facilities.

Requires amounts made available to the National Oceanic and Atmospheric Administration (NOAA) to be apportioned at a rate for operations necessary to maintain research laboratories, cooperative institutes, and scientific awards of the Office of Oceanic and Atmospheric Research at current levels.

Section 126. NIST Manufacturing Extension Partnership.

Requires the Secretary of Commerce to renew all cooperative agreements under the Manufacturing Extension Partnership during the period covered by the CR under the same terms and conditions as the previous agreement, unless requested otherwise by the eligible entity.

Section 127. U.S. Marshals Service Spend Fast.

Provides the Department of Justice the flexibility to spend at a faster rate of operations in the U.S. Marshals Service account to sustain certain operations.

Section 128. U.S. Marshals Service Protective Security.

Appropriates \$30 million in additional funds to the U.S. Marshals Service, including \$7 million for protective operations and \$23 million to enhance the Federal judicial security mission.

Section 129. U.S. Marshals Service Construction.

Appropriates \$30 million in additional funds to the U.S. Marshals Services for construction to support critical courthouse security renovations and upgrades and to secure prisoner movement areas.

Section 130. U.S Parole Commission.

Extends the authorization for the U.S. Parole Commission for the duration of the CR.

Section 131. Virginia Class Submarine Program.

Provides for a rate for operations necessary to fund completion of prior year shipbuilding programs for the

fiscal year 2016 and fiscal year 2018 Virginia Class Submarine Programs, in an amount not to exceed \$154,000,000.

Section 132. Air Force E-7 Wedgetail Aircraft Program.

Requires the apportionment of amounts at a rate for operations necessary for the E-7 Wedgetail program, in an amount not to exceed \$200 million, to maintain program schedule and transition to production for the E-7 Wedgetail program.

Section 133. National Nuclear Security Administration (NNSA) Secure Transportation.

Provides for a rate for operations of \$149 million for the NNSA's mission to safely move weapons, material, and components.

Section 134. Extension of Bureau of Reclamation Calfed Bay-Delta Authorization.

Extends the authorities of the Calfed Bay-Delta Program and increases its funding authorization ceiling.

Section 135. Department of Energy Programs.

Requires the Administration to obligate and expend funds for programs, projects, and activities for certain accounts within the Department of Energy consistent with specifications included in the fiscal year 2024 appropriations Act.

Section 136. Requirement for Department of Energy to Meet Hanford Site Legal Obligations.

Requires the Department of Energy to meet legal obligations under the Hanford Federal Facility consent decree regarding completion of the hot commissioning facility at Hanford by October 15.

Section 137. Small Business Administration (SBA) Business Loans Program.

Provides SBA with the authority to accommodate increased demand for certain small business loan programs during the period of the CR to ensure financing is not delayed for small businesses.

Section 138. District of Columbia Local Funds.

Authorizes the District of Columbia to spend its locally raised revenue for programs and activities at rates provided for in the District's Fiscal Year 2026 Local Budget Act of 2025. Prevents the cuts caused by the FY2025 Full Year CR.

Section 139. Defender Services.

Provides for a rate for operations of \$1.535 billion for "The Judiciary—Courts of Appeals, District Courts, and Other Judicial Services—Defender Services," with the requirement that funds be apportioned to make payments due under section 3006A of Title 18, United States Code.

Section 140. Department of the Treasury Office of Terrorism and Financial Intelligence.

Provides for a rate for operations of \$238 million for the Office of Terrorism and Financial Intelligence within the Department of the Treasury.

Section 141. Implementation of Postal Health Benefits.

Provides for an increase in the limitation on trust fund transfers, offset by a corresponding decrease in general fund transfers, for the Office of Personnel Management Salaries and Expense account to assist in the administration of the Postal Service Health Benefits Program.

Section 142. Senior Political Pay Freeze.

Continues the freeze on senior political pay for the Vice President and employees serving in an Executive

Schedule and Senior Executive Service position through the end of the year and into the beginning of 2026.

Section 143. Inspector General of the Office of Management and Budget.

Establishes a new Inspector General of the Office of Management and Budget to investigate actions taken by OMB and appropriates \$20 million for necessary expenses of the new Office.

Section 144. U.S. Supreme Court Protective Security.

Appropriates \$28 million in additional funds to the Supreme Court Salaries and Expenses for protection of the residences of the Supreme Court Justices.

Section 145. Court Security.

Appropriates \$52 million in additional funds to the Judiciary's Court Security account for security improvements at U.S. courthouses and federal court facilities.

Section 146. Disaster Relief Fund.

Allows the Federal Emergency Management Agency the flexibility to spend at a faster rate for operations from the Disaster Relief Fund during the duration of the CR to carry out response and recovery activities for declared disasters.

Section 147. Reimbursable Screening Services Program (RSSP).

Extends authorization for the Transportation Security Administration's RSSP through the period of the CR.

Section 148. Firefighter Pay Cap Waiver.

Extends the authority for the Department of Agriculture and the Department of the Interior to waive the premium pay cap limitation (for overtime and hazard pay) for wildland fire personnel.

Section 149. Wildland Fire Management Suppression Operations.

Provides flexibility to the Forest Service to spend at a faster rate for operations in the Wildland Fire Management Suppression account necessary for wildfire suppression operations.

Section 150. Bureau of Ocean Energy Management (BOEM) Contribution Authority.

Extends the authority of BOEM to accept contributions for environmental and technical work.

Section 151. Indian Health Service New Facility Staffing.

Provides for an increased rate for operations to the Indian Health Services of roughly \$80 million, and the authority to obligate funds at rate for operations necessary to support staffing and operating costs at facilities that were opened, renovated, or expanded in fiscal years 2025 and 2026.

Extends authorities in Food for Peace. This authorization currently expires on September 30, 2025.

Section 2304. United States Grain Standards Act.

Extends authorities in the United States Grain Standards Act. This authorization currently expires on September 30, 2025.

Section 2305. Extension of Defense Production Act of 1950.

Extends the authorization of the Defense Production Act of 1950. This authorization currently expires on September 30, 2025.

Section 2306. Alternative Fuel Vehicles in HOV Lanes.

Public authorities operating High Occupancy Vehicle (HOV) lanes may permit electric and alternative fuel vehicles to use those lanes, but this authority expires on September 30, 2025. This section extends this authority to the end of October.

Section 2307. Eligibility of Certain Projects Under the TIFIA Program.

The IIJA expanded TIFIA loan eligibility to airport improvement projects, provided that the Secretary receives a letter of interest and determines eligibility for a project before September 30, 2025. This section extends the eligibility to the end of October.

Section 2308. Protection of Certain Facilities and Assets from Unmanned Aircraft.

Extends DHS and DOJ’s existing authority to counter credible unmanned aircraft system (UAS) threats to large public gatherings and certain facilities, assets, and individuals in the U.S. Among other missions, DHS and DOJ components use the authority to protect against UAS posing credible threats at Special Event Assessment Rating (SEAR)/National Special Security Events (NSSE) events, detect and mitigate drones used for smuggling at our nation’s borders, and to detect and prevent the introduction of weapons, cell phones, escape tools, and contraband via drone at prisons. This authorization currently expires on September 30, 2025.

Section 2309. National Cybersecurity Protection System Authorization.

Extends the authorization for CISA to provide federal agencies with cybersecurity services. NCPS, which includes EINSTEIN – a cyberattack detection and blocking service - is a suite of technical cybersecurity services that federal civilian executive branch agencies can use to maintain situational awareness and prevent attacks. Without an extension of this authorization, CISA will not have the authority to provide services on federal executive branch networks, nor would CISA be able to use the technical threat information from one agency to protect other agencies or share the threat information with the private sector. This authorization currently expires on September 30, 2025.

Section 2310. State And Local Cybersecurity Grant Program.

Extends grant funding to state, local, tribal, and territorial (SLTT) governments to address cybersecurity risks and

cybersecurity threats to SLTT-owned or operated systems. This funding is used for programs such as training personnel on how to protect against cyber incidents, developing cybersecurity policies and programs, scanning state and local networks for vulnerabilities, and procuring cyber defensive equipment. This authorization currently expires on September 30, 2025.

Section 2311. Cybersecurity Information Sharing.

Extends liability protections and privacy safeguards that encourage information sharing related to cybersecurity threat detection between the public and private sector. This authorization currently expires on September 30, 2025.

Section 2312. Additional Special Assessment.

This provision extends the special assessment of \$5,000 on nonindigent persons or entities convicted of certain offenses involving sexual abuse or human trafficking. Currently, the special assessment expires on September 30, 2025.

Section 2313. Short-Term Reauthorization of the United States International Development Finance Corporation.

The DFC's mandate expires on October 6. The DFC focuses on development projects in lower- and middle-income countries and was first formally authorized in 2018 through the BUILD Act.

TITLE IV— BUDGETARY EFFECTS

Section 2401. Budgetary Effects.

Technical budgetary provisions.
