

## FINANCIAL SERVICES AND GENERAL GOVERNMENT

### SUMMARY OF FISCAL YEAR 2026 BILL

#### Financial Services and General Government

The fiscal year 2026 Financial Services and General Government funding bill includes \$26.3 billion, an increase of \$17.9 billion above the request and \$3.1 billion above the House level.

- **Provides critical financial products and services to low-income and underserved communities** by rejecting cuts and eliminations to the Community Development Financial Institutions program.
- **Makes our elections more secure** by increasing funding for the Election Assistance Commission's Election Security Grants.
- **Protects Grant Programs for Small Business** by rejecting cuts and eliminations to the Small Business Administration and includes stronger language to specify individual grant levels in law.
- **Respects the District of Columbia** by including language that automatically lets the District use local funding under a continuing resolution and doesn't include any new riders limiting the District's home rule.

#### Bill Summary

**Department of the Treasury** – For fiscal year 2026, the bill provides a total of \$13.1 billion for the Department, \$1.8 billion above the House level. Of the total provided, the bill includes:
